Student name: _____

Address, City, State & Zip: _____

Phone Number(s): _____

Email: _____

Student ID: _____

Date: _____

Degree: Ph.D. Statistical Science

Qualifying exams required:

Applied Probability _____

Applied Statistics _____

Statistical Inference _____

The exams are offered Monday-Friday, 4:30-6:30 p.m. and Monday-Thursday, 7:00-9:00 p.m.

Notes:

1. A list of qualifying exams is available at http://ite.gmu.edu/PhDprogr/qualifying_main.htm
2. You will be contacted the week before the exams with a schedule of which exam will be offered in each of the time slots.
3. Exams are offered twice a year, in the week immediately preceding the Fall and Spring semesters.
4. This form is due two months before the week the exams are offered.
5. Abide by the Honor Code when taking this test.

Qualifying Exam Policy:

Students are allowed to withdraw from exams with no reason ten days before the exam. Once this time limit has passed, students with circumstances beyond their control, i.e., illness, car accident, family illness, or family issues, are required to notify the associate dean at the earliest possible time and provide documentation to support their claim. The student will then be allowed to take the exam at the next available testing date. If the student is a no show for the exam or hasn't contacted the associate dean to be excused, the student will automatically fail the exam. By signing below, you understand and will abide by this policy.
